Service	15

The Porsche marque has long been recognised for its exclusive and individual sports cars, designed to offer outstanding performance and superior technology as well as high quality and lasting appeal. This is demonstrated by the fact that more than 60% of all Porsche vehicles ever built are still on the road today.

This is also reflected in the Porsche Approved Pre-owned Car Programme. As part of this comprehensive service, every pre-owned Porsche is subjected to a rigorous inspection based on the same standards of quality and workmanship we apply on every new Porsche. Pre-owned vehicles must fully satisfy a range of exacting criteria and be able to

demonstrate the levels of safety, reliability and performance that you would expect from any Porsche.

With Porsche Approved, we offer you the added peace of mind that makes owning and driving a pre-owned Porsche so much more enjoyable.

Only the best are Porsche Approved.

Our commitment to quality.

Our sports cars have been captivating people for generations, not least due to their excellent record in terms of quality, safety and longevity. These values are always considered to be of prime importance by Porsche dealers when inspecting a pre-owned vehicle.

As part of the Porsche Approved Pre-owned Car Programme, Porsche dealers perform strict checks on all pre-owned vehicles to ensure that they are in the best possible condition. Using a globally recognised checklist, we carry out more than 100 individual checks before producing a detailed test report. These checks cover a number of aspects including the overall condition of the vehicle, fluid levels, electrical and mechanical functions, and a test drive.

With the Porsche Approved Pre-Owned Car Programme, you can rest assured that your pre-owned Porsche will not only look good, it will also remain in excellent technical condition.

Our standards are recognised around the world.

The inspection checklist used to assess vehicles as part of the Porsche Approved Pre-owned Car Programme is also the basis for carrying out any necessary service and repair work with the utmost

care and professionalism. Our uncompromising standards are implemented around the world to ensure that every pre-owned Porsche is of the highest possible quality.

The extent of the repair work carried out depends on the technical faults identified in the test report, as well as the current age, mileage and general condition of the vehicle. Naturally, cosmetic defects

such as scratches in the paintwork are also corrected as part of the service.

As a result, you can expect a pre-owned car from Porsche to be as reliable and appealing now as it was the day it left the factory.

A guaranteed mark of quality.

Pre-owned Porsche Warranty.

60% of all Porsche vehicles ever built are still on the road today. This is a clear indication that we are committed to exceptional performance and reliability. So much so, we'd like to give you that commitment in writing.

All pre-owned Porsche cars are therefore issued with a warranty, which is recognised and accepted by Porsche dealers around the world.

This warranty is available on all Porsche vehicles aged between one and nine years old, with a total mileage of less than 125,000 miles (200,000 km). To qualify, vehicles must complete an exhaustive multi-check examination, and any faults covered by the warranty must be repaired.

The warranty covers an extensive list of parts and components. Other benefits include unlimited mileage

during the warranty period, as well as zero excess on all parts and labour covered by the warranty up to the current market value of your car. What's more, in the event of a claim we'll meet all approved costs directly.

The warranty does not cover:

- Maintenance work that is not part of an authorised warranty claim
- Wear and tear
- Damage caused by improper or excessive use
- Vehicles with modifications not approved by Porsche
- Vehicles that have not been serviced in accordance with the Guarantee and Maintenance booklet
- Vehicles that have not been serviced in line with the manufacturer's recommendations

The Pre-owned Porsche Warranty is valid for a period of 12 months. If your pre-owned Porsche is less than two years old, cover will commence

from the date your standard factory warranty expires. Provided your car still meets our warranty conditions, you can also purchase an extended 12-month warranty as many as eight weeks prior to expiry.

Porsche Assistance*.

Your Pre-owned Porsche Warranty also comes with Porsche Assistance, an exclusive support service that offers added security when travelling at home or abroad. In addition to breakdown and accident assistance, transport and recovery, the package includes a range of other insurance services.

* Availability may vary from country to country

Quality at a glance.

The Pre-owned Porsche Warranty label.

The Pre-owned Porsche Warranty label indicates that a car is cov-

ered by our comprehensive warranty services. To qualify for the label, vehicles must comply with established Porsche standards and have successfully undergone an exhaus-

tive series of checks. Any faults identified that are covered by the warranty must be repaired. The Pre-owned Porsche Warranty label is also an exclusive certificate of qual-

ity and reliability, offering peace of mind that, in the unlikely event of your Porsche developing a fault, the affected parts will be repaired or replaced.

Find your Porsche at the click of a button. International Porsche Locator.

Looking for your dream car?

You can now search our extensive database of pre-owned Porsche cars on the International Porsche Locator at www.porsche.com using a variety of criteria including vehicle model, price and colour.

With its powerful search engine, the system can find a list of vehicles that closely match your specific requirements in a matter of seconds.

Most of these vehicles will have the Pre-owned Porsche Warranty label, which signifies that they have been checked in accordance with the usual Porsche standards. Vehicles can be sorted on the basis of a

range of criteria including year of manufacture, price band and location, and are displayed along with information on additional equipment and the relevant contact details.

Alternatively, using the International Porsche Locator, you can enter your exact search criteria and let us find your pre-owned Porsche for you. We will forward any relevant offers to you until you find a pre-owned car that fully meets your requirements.

For more information, please contact your Porsche dealer.

Additional support available from your Porsche dealer.

Service.

Your Porsche dealer is there to assist you with every aspect of purchasing a pre-owned car as part of the Porsche Approved Pre-owned Car Programme. Experts are on hand to provide a whole range of professional services and advice on everything from parts and accessories, to finance and insurance.

Porsche Tequipment.

Porsche Tequipment is a comprehensive range of aftermarket accessories available from your Porsche dealer. Each product combines elegant design and exceptional functionality with all the quality you'd expect from Porsche. Exclusively designed and tested in-house, each one is tailored to the car to which it is fitted.

Porsche Financial Services.

Porsche also offers a range of financing and leasing options. Because every Porsche is an investment that will hold its value over time, leasing payments are considerably lower than conventional finance schemes. Like your Porsche, the service is smooth, quick and totally reliable. Our packages are also designed to take your personal circumstances into account.
